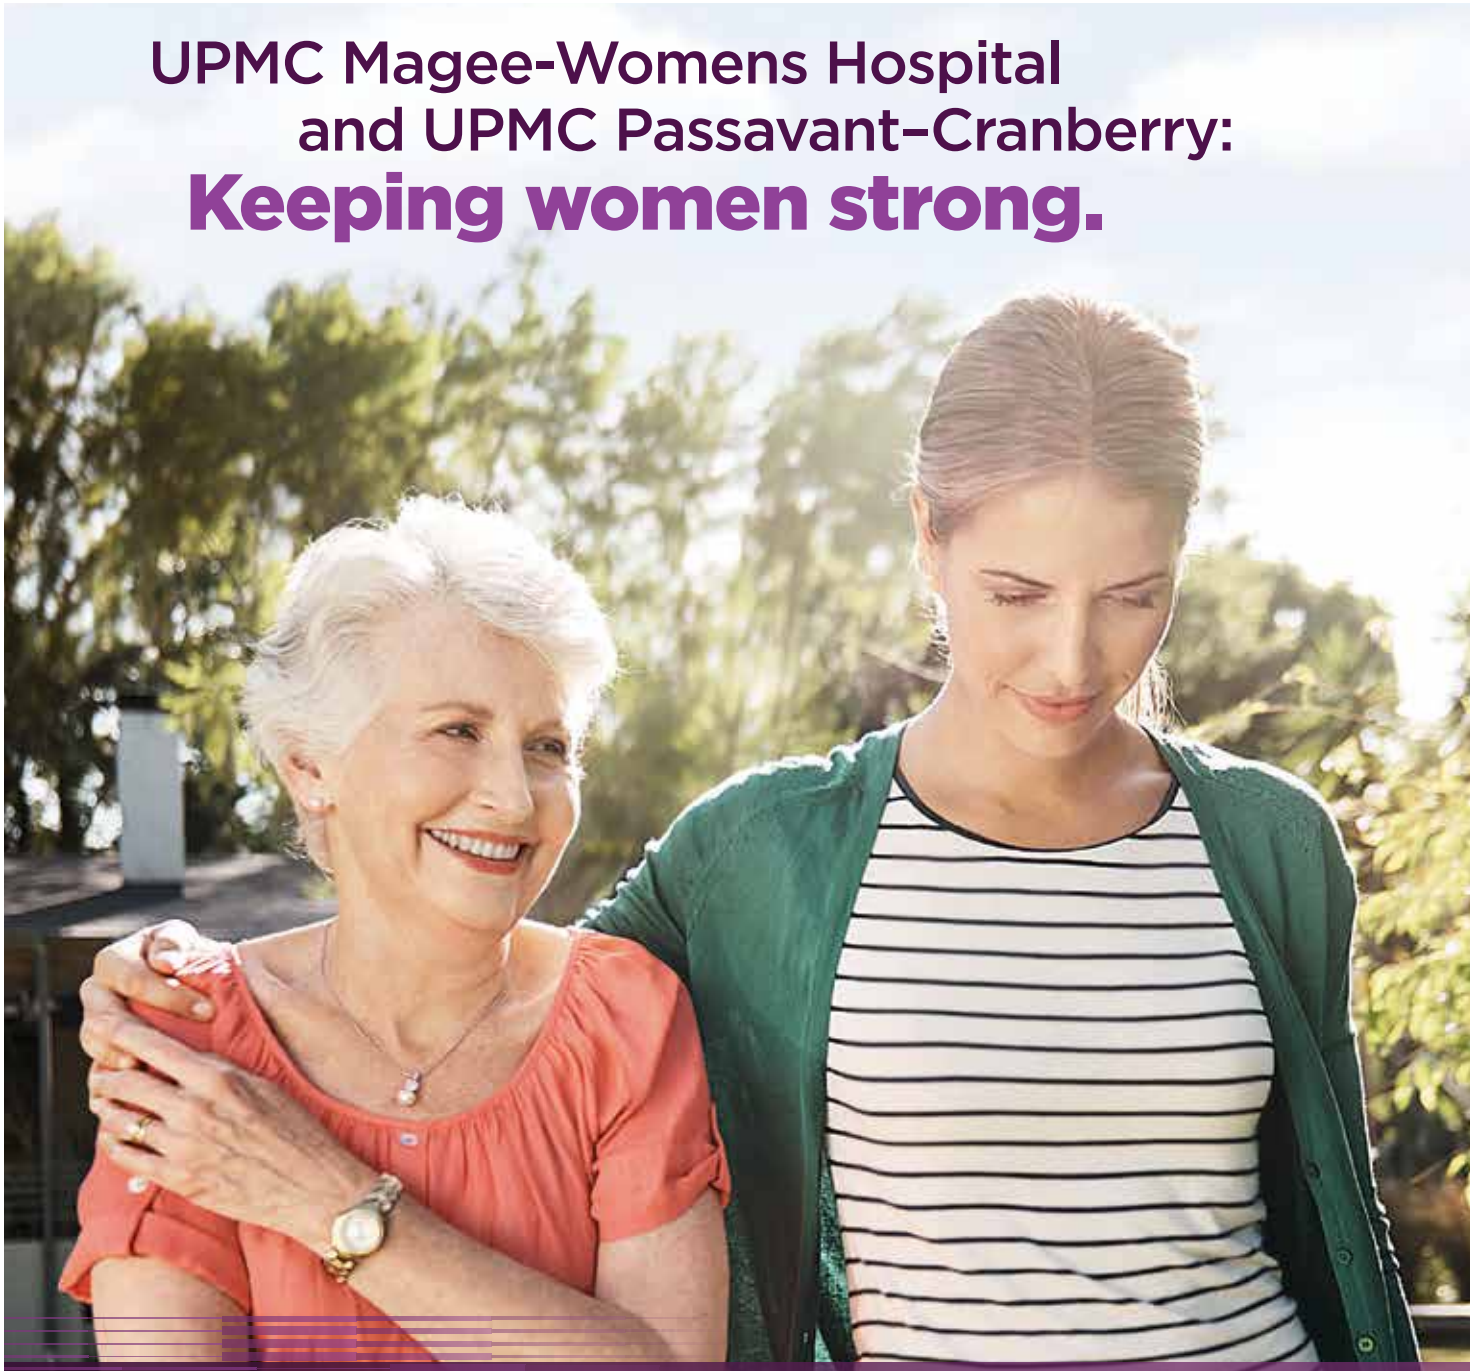
UPMC Magee-Womens Hospital and UPMC Passavant–Cranberry:

Keeping women strong.



For more than 100 years, women have trusted the expertise and gynecologic care provided by UPMC Magee-Womens Hospital.

In partnership with UPMC Magee, our women's health experts have brought those same world-class specialty services to UPMC Passavant-Cranberry, including same-day hysterectomy, urogynecology, gynecologic oncology, Magee-Womens Imaging Services, breast surgery, the Midlife Health Center, maternal fetal medicine, obstetrics, and gynecology. Here, we provide the advanced, respected, and accessible care that generations of women have come to expect from Magee — close to home. **For more information or to schedule an appointment, call 1-800-533-UPMC (8762).**

WHO WE ARE

WHAT WE DO

No matter which way you look at it, CTCC makes an impact.

From the Projects of the Year to Community Days, CTCC brings the region together, and the outstanding efforts of our volunteers, non-profits, and residents have left a lasting impression.

That's why the CTCC Annual Report has been rebranded as the CTCC Impact Report. The information in this report highlights the real, tangible and long-lasting impact CTCC has on the Township. It also outlines our commitment to ensuring that impact continues in the future.

Thanks for helping us make an impact!

OUR MISSION

WE HELP BUILD
healthier communities by encouraging residents and businesses to support, volunteer, and join one or more of over 70 nonprofit groups.

WE HELP PROMOTE
events of nonprofit and civic groups, connecting more people to their causes.

WE SEED
new community projects, including the CTCC Projects of the Year.

WE BUILD COMMUNITY.

MEET THE CTCC BOARD OF DIRECTORS

Our meetings may have changed during the COVID-19 pandemic, but our mission remained steadfast.

The Cranberry Legacy Endowment
A Foundation for the Future

OUR GOALS

CTCC's primary goal is to encourage residents and businesses to support and become involved with one of the many nonprofit and civic groups that help make our community better. Many of these groups have increased their membership since this effort began. Yearly, we welcome dozens of people who want to volunteer and add purpose to their lives.

CTCC promotes the nonprofit and civic groups via Community Days, the Community Sign, the Holiday Tree Gallery and other programs.

CTCC seeds new services and projects that improve our community. But we have also used tens of thousands of dollars to seed other worthy causes and projects that other non-profits provide.

CTCC helps to build a sense of community by creating the connection of individuals and businesses to their communities.

CTCC started the Cranberry Legacy Endowment, a community foundation that allows donors to support nonprofit groups indefinitely. The Endowment has over $1.5 million in assets.

CTCC believes in our Four Pillars: businesses; faith communities; nonprofit and civic groups; and local government/schools. This is the foundation for a healthy and successful community.

CTCC has expanded Community Days from a one-day event to a three-day festival that draws tens of thousands of people and over 500 volunteer, featuring artists, carnival games and rides, concerts, nonprofit booths, and vendors. Our past and present Projects of the Year have impacted Cranberry Township as well as many other communities.

WHAT WE ACCOMPLISHED IN 2019

CTCC Project of the Year

CTCC's 2019 Project of the Year, the Forge Ahead Makerspace in the Cranberry Library will be opening soon. The project includes the implementation of a Makerspace – a workshop designed to engage participants in creative hands-on activities. It also includes upgraded technology and ADA accessibility in the library. For details on the current Project of the Year, see page 11.

Annual CTCC Community Days

During the celebration of Cranberry's nonprofit and civic groups, more than 40 organizations raised over $200,000 in our three-day event. More than 35,000 people attended and over 500 others volunteered.

Fishing Pond at Graham Park

The Centennial Scouting Plaza and Fishing Pond was a welcome addition to Graham Park as the 2012 Project of the Year. CTCC pays an annual fee for this Class A regulated pond so that a Pennsylvania license is not required to fish. This is a preferred catch and release pond where fish are to be released without harm immediately after landing.

Supporting the Arts

We are committed to strengthening fine arts in our community by establishing venues for both temporary and permanent displays and public events. Hundreds gathered for our annual Martinis with Monet event featuring work by talented local artists , followed by the tradition of yarn bombing and Art in the Park during CTCC Community Days.

CTCC- Cranberry Legacy Endowment Annual Report

The annual report, sent to every Cranberry home and business, provides an opportunity to learn about about many local nonprofit organizations and how to support or join them. More than 900 nonprofit members who volunteered at least 50 hours to our nonprofit/civic groups from the previous year are recognized, along with established endowments.

Annual Cranberry Holiday Tree Gallery

Each year, CTCC invites nonprofit organizations to help brighten the coming holiday season with a decorated tree in the Cranberry Municipal Center that represents the mission of their organization. The 2019 display offically opened during the Santa's First Stop event with more than 40 organizations participating.

SPECIAL GRANTS AWARDED TO MEMBERS

Supporting our non profit members is a crucial part of our mission. One benefit of membership in CTCC includes the opportunity to apply for special grants not intended for operational expenses. Applications are available upon request and disbursements are made based upon the financial condition of CTCC at the time of the application.

Southern Butler County Garden Club -$1,000 for Blue Star By-Way Marker in Graham Park.

Lighthouse Foundation- $3,000 to assist in purchase of van for the Full Table Project.

Cranberry Township- $1,000 to assist in purchase of 'Slow Down' campaign signs for neighborhoods.

Cranberry Township Volunteer Fire Company -$2,000 for smoke detectors for seniors.

Mighty Penguins Sled Hockey -$2,500 to assist with tournament for physically disabled athletes.

Cranberry Township- $5,000 to create Apiary and Pollinator Garden at Cranberry Highlands.

thank you

COMCAST BUSINESS
$125,000

COMCAST BUSINESS is a new face in the Cranberry area, but their impact is already helping CTCC. The company is the new sponsor of the electronic board on Routes 19 and 228.

COMCAST BUSINESS takes over the sign sponsorship reigns from **PNC**, who generously supported the maintenance and upkeep of the electronic board so motorists would have instant access to important messaging.

CRANBERRY TOWNSHIP
IS A COMMUNITY THAT CARES.

It's a community that invests in itself and its future, making sure the Township remains a first-class place to live for generations to come.

Nowhere is that commitment to community more evident than through the efforts of the Cranberry Township Community Chest. For more than a decade, CTCC has led the charge to enhance the Township, raising funds for projects and initiatives that make Cranberry a great place to live, work, and play.

On the surface, that work is possible because of the financial support raised by CTCC. But it's more than that. Each project and each dollar represent someone in the community who believes Cranberry Township is worthy of investment.

From extracurricular activities like the SportsCourts and Disc Golf projects to the recent Library MakerSpace renovation that will help creativity blossom, each project improves the quality of life for our residents. It allows them to better themselves by learning a new skill, or to form new relationships with their neighbors. The benefits are endless.

Cranberry Township is fortunate to have an organization like CTCC that brings people together for a common goal of bettering the community. We encourage our residents to get involved however they can and help this wonderful group continue to make a positive impact.

Board of Supervisors

Dick Hadley, Mike Manipole, John Skorupan, Bruce Mazzoni and Bruce Hezlep

Helping to bring our community together in difficult times

In March of 2020, CTCC partnered with Cranberry Township to launch a new program, the Community Response Team (CRT). This program was designed to help ease the burden of the COVID-19 pandemic in our community and surrounding areas.

As older adults and high-risk individuals were encouraged to stay home to avoid exposure to the disease, a team of volunteers signed up to help deliver groceries to their homes. Volunteers also stepped up to complete many service projects throughout the area. This generous volunteer effort now continues on an ongoing basis, according to the needs of the community.

CTCC established a Community Response Team Relief Fund in support of the program. Monetary donations accepted on our website, are used to purchase re-loadable gift cards for CRT volunteers to buy essential goods for those in need.

Please visit our website to find out how you can help: YourCTCC.org.

PROJECT OF THE YEAR 2020-2021

ROTARY AMPHITHEATER: Renovation & Expansion

The Rotary Amphitheater has always welcomed a high volume of visitors each year through Community Days, Movies in the Park, the Summer Concert Series, and rentals for community events. After seventeen years of proudly serving its community, the amphitheater was in substantial repairs. Improvements to the stage, roofline, and ADA accessibility would create an exceptional experience for performers and audience members alike.

Each spring, CTCC makes one final push to grow support for the Project of the Year, with hopes that community contributions bloom just as the flowers do.

In 2020, that push, like all aspects of daily life, was impacted by the COVID-19 pandemic. With the ripple effect being felt by every member of the community, fundraising for the 2020 Project of the Year seemed inconsequential. After all, the projected amount needed for upgrades and enhancements to the 17-year-old Rotary Amphitheater in Community Park had been met.

However, the project was not immune to the challenges caused by the pandemic. Due to increased construction and material costs, the final total is significantly higher than planned. Though work has begun on the first phase, additional fundraising is needed.

The numerous obstacles caused by the pandemic for the entire community lead the CTCC Board to hold off on naming a 2021 Project of the Year.

Instead, the Board will continue to raise funds for the Amphitheater project, with hopes of closing the funding gap while also looking toward additional phases.

In 2020, the Cranberry community has supported friends and neighbors as they always do when the chips are down. We look forward to celebrating that spirit in a refurbished Rotary Amphitheater when sunnier days arrive.

SEE YOU NEXT YEAR!

2020 CTCC Community Days promised to be one of the most incredible occasions in its 44 year history. However, uncertainty caused by the coronavirus pandemic has led organizers to make the difficult decision to cancel this year's event.

Planning for Community Days, which draws more than 30,000 people over three days, typically begins in January, with vendors and entertainment booked in early spring. The prudent decision to cancel was deemed appropriate considering the current public health crisis, and with the deepest concern for all those being affected.

Cranberry Township must remain focused on providing essential services, while keeping employees and residents safe. Canceling the event allowed the Township to concentrate on the challenges the coronavirus presents to the community..

CTCC Board of Directors

HELP US MAKE A DIFFERENCE

In less than a decade, we have raised millions of dollars for the Project of the Year, CTCC initiatives, grants, and Community Days! We've built nine major assets for our community and many other services have been provided as listed in this Impact Report. In addition, we've raised assets of $1.5 million for the Cranberry Legacy Endowments.

Please consider making CTCC part of your charitable yearly support. CTCC is chartered as a 501.c.3 organization and your contributions are deductible, per IRS regulations.

THE CHOICE IS YOURS

Your support of CTCC,
the Project of the Year, and
Cranberry Legacy Endowments

WILL HELP US
BUILD A BETTER COMMUNITY

LEGACY TRAIL

You may have noticed the benches honoring some of our legacy donors that line the sidewalks and soccer fields in Graham Park. It has been affectionately dubbed as the "Legacy Trail." The benches were placed by special arrangement with our legacy donors.

7 EASY WAYS TO SUPPORT CTCC

1. **CHECK**
   Mail in a check made payable CTCC and addessed to
   2525 Rochester Road, Suite 450, Cranberry Township, PA 16066

2. **PAYPAL OR CREDIT CARD**
   Visit YourCTCC.org

3. **CRANBERRY UTILITY BILL**
   Donate automatically by monthly payment through your water/sewer bill. Call 724-776-4806 ext. 1103 to set up payments or download a water bill donation form at YourCTCC.org

4. **UNITED WAY**
   Contribute through your employer's United Way Campaign. For Butler County, write in "Cranberry Township Community Chest." For Allegheny County, the code is #296.

5. **AMAZON**
   Amazon will donate 0.5% of an eligible purchase price to the Cranberry Township Community Chest. Log into smile.amazon.com using your regular Amazon log-in credentials, enter Cranberry Community Chest in the organization search box. Hit the select button, then shop away as you normally would, paying the same prices you normally would.

6. **DONOR-ADVISED FUNDS**
   Donor-advised fund (DAF) allows you to combine the most favorable tax benefits with the flexibility to easily support your favorite charities. DAFs are an excellent way to both simplify your charitable giving and facilitate your strategic philanthropic goals, including donating appreciated assets like stocks.

7. **STOCKS & BONDS**
   A great way to give appreciate assets for maximum tax benefits including minimum IRA distributions.

WHAT IS YOUR LEGACY?

HOW DO YOU CREATE A LEGACY THAT SAYS YOU MADE YOUR COMMUNITY A BETTER PLACE TO LIVE?

Consider creating an endowment for the CTCC Project of the Year.

Endowments are available for other causes too, like the Cranberry Library and scholarships, or any other specific nonprofit entity that benefits our community. Endowments include a profile in all future annual reports.

Consider making a difference and start your own (or family) endowment to help make our community better for future generations.

Information on starting an endowment can be found on page 19, or contact CTCC at YourCTCC.org.

ABOUT OUR LEGACY ENDOWMENTS

Over 22 legacy funds with assets over $1.5 million

WHAT IS THE CRANBERRY LEGACY ENDOWMENT?

A community foundation that you can set up in your name or in the memory of a loved one to help support a nonprofit or civic organization of your choice or to help a specific cause. It is a cooperation of the CTCC and the Pittsburgh Foundation.

WHY IS IT PART OF CTCC'S ANNUAL REPORT?

The Cranberry Legacy Endowment is the co-sponsor of the annual Impact Report, which is sent out every year to over 14,000 homes and businesses.

WHAT IS THE BENEFIT OF ESTABLISHING A CRANBERRY LEGACY ENDOWMENT?

It is your way to leave a permanent legacy for your family and neighbors to enjoy and to recognize the difference you made in our community. Only a portion of the appreciation is distributed to your designated bequest on a yearly basis. The principal is never touched and, in most years, it will increase in value.

PROJECT OF THE YEAR FUNDS

Bruce & Conni Mazzoni Project of the Year Heritage Fund (2008)

Bruce is the past President of CTCC and one of the three leaders who helped establish its new direction. Bruce has been a Cranberry Township Supervisor since 2005. Conni joined the CTCC Board in 2015. Together Bruce and Conni have had a tremendous impact on strengthening our community through their volunteer actions.

J. Frank Hess Project of the Year Heritage Fund (2010)

Frank Hess - inspirational business leader, aviator, golfer and outstanding civic volunteer – was a founding member of the Sherwood Oaks retirement community and a great friend of Cranberry Township. He passed away in 2007 at age 93, but his memory continues to motivate those whose lives and careers he touched. His professional life included executive and corporate board positions during Pittsburgh's Steel City era. Outside of work, he held leadership posts in the Ingomar United Methodist Church and the United Methodist Foundation. Hess was a longtime member of the North Hills Rotary, an early promoter of Franklin Park Borough's sewage authority, and board chairman of Passavant Hospital. Honoring his memory, Frank's wife Betty and the Hess family created a permanent endowment, which carries his name.

Tom & Lee Coyle Legacy Fund (2012)

Tom Coyle spent a lifetime in the Scouts. During the late 1930s, he became an Eagle Scout. Following his return from military service as a Marine in World War II, he made a career of Scouting, ultimately becoming Executive Director of the Moraine Trails Council of the Boy Scouts in Butler County from 1962 to 1984. Tom has a bench dedicated at the Scouting Plaza. Tom and Lee made their home in Butler, raising their three children there. They were married for 52 years. Lee spent 30 years as an instrumental music teacher in the Butler Area School District and was an active member of the Artist Association of Butler County until her death in 2001.

UPMC CTCC Legacy Fund (2012-2017)

In 2017, UPMC was the main sponsor of Community Days. An endowment of $2,500 was donated to the Community Days CTCC Fund in UPMC's honor.

Margery Himes Project of the Year Heritage Fund (2013)

A committed member of the Cranberry community and a resident of Sherwood Oaks, Margery Himes believed in the mission of CTCC and of Cranberry's Public Library. Her estate left a continuing legacy in her name. Born in 1924, Margery graduated from Chatham College, and received her master's degree in Education from the University of Pittsburgh. She taught elementary school in rural Central Pennsylvania for 27 years.

Renato (Ray) & Enis Mazzoni Project of the Year Fund (2017)

Enis was a member of the Cranberry community for several years. They were married for nearly 60 years and raised five sons with many of them living in nearby communities. Both were avid volunteers who taught the importance of giving to others.

CRANBERRY LIBRARY ENDOWMENTS

Bruce & Conni Mazzoni Library Heritage Fund (2008)

Bruce and Conni Mazzoni have been residents of Cranberry for over 20 years, with their daughters Allyson and Ashley. "The Cranberry Library was our first love. We visited weekly with our two daughters to encourage them to read and discover for themselves," Bruce said. "We have a beautiful library and we are happy to know our endowment fund will help keep it that way," Conni added. Bruce is a past member of the Library board, and both are members of the Friends of the Library.

Dr. Michelle S. Switala Library Legacy Fund (2009)

Michelle Switala, a voracious reader, gourmet cook, chair of the Pine-Richland mathematics department, part-time Pitt faculty member and gifted amateur musician was named Pennsylvania's 2009 Teacher of the Year. Her gift is dedicated to funding the Cranberry Library. "I love the concept of a public library," she said. "I set up my endowment as a way to keep our library current, beautiful and exciting." Michelle is also a former member and past President of the Library's Board.

Library Memorial Funds

Grace Polochak Memorial Fund (2010)

Richard Stein Memorial Fund (2010)

The Bill & Jean Heidenreich Library Legacy Fund (2010)

Long-time Cranberry residents Bill and Jean Heidenreich both played roles in forming the Cranberry Public Library. Bill served on the library's Board of Trustees during its early years. Jean worked at the library as a clerk for 18 years until her retirement in 1997. Upon Bill's death in 1982, the family established the Heidenreich Memorial Fund at Cranberry Public Library. It was used to expand the library's collection. Jean later remarried, and when both she and her husband passed away in 2009, the family once again thought of the library and the fund they had created in memory of their parents.

The Samuel & Carol Troese Library Legacy Fund (2010)

Samuel and Carol Troese decided to move to Cranberry when it had just over 4,000 residents. Both emerged as pillars of their adopted community. Sam, a health planning professional, wanted to see development come in an orderly fashion, so he joined the Township's planning commission. He also became a Butler County representative to the Southwestern Pennsylvania Regional Planning Commission and a member of the Township's zoning hearing board charged with overseeing the design and construction of the Township's new Municipal Center. Carol, who earned a library science degree at Pitt, became a volunteer for Cranberry's startup library and, in 1984, became the facility's librarian. Sam died of cancer at age 61. Four years later, Carol also succumbed to cancer. To honor the couple who did so much for Cranberry, their family created an endowment fund in their memory.

Edna T. Walter Library Legacy Fund (2010)

Edna "Tommie" Walter, is a resident of Sherwood Oaks and an avid bridge player with a life-long love for libraries. Her philosophy is that libraries form an important community asset and supported that belief with a donation of stock that will help to foster great programs and improve the Cranberry Library's resources. *Not pictured.*

Annabel Turner
Library Pillar Fund (2010)

A resident of Cranberry and Sherwood Oaks for 22 years, Ms. Turner, who passed away in 2004 at age 97, is remembered for her major donation to the Children's Library in 2000. A graduate of Carnegie Institute of Technology, now CMU, Ms. Turner was an avid reader of classics and history. In her will she remembered the Library which, combined with her prior gifts, made Ms. Turner the single largest donor in the library's history.

Margery Himes
Library Heritage Fund (2013)

A Legacy Endowment was established in the name of Margery Himes for her lifetime support of the Cranberry Library.

Barbara Blackstone
Library Legacy Fund (2011)

As President of the Rowan School PTA, Barbara Blackstone and a group of mothers decided to start a library housed in the original Township building. They were granted a small space for readers, but the books were stored in a closet in the one-story building. When the Township added a second floor, the library moved upstairs. Space in the Township's new building was provided in 1991. And Barbara, who was a volunteer instructor for Slippery Rock's Institute of Learning in Retirement, served a second term on Cranberry's Library Board.

Berman Family
Library Legacy Fund (2015)

Mike Berman was enchanted with the Butler County Bookmobile as a child. It instilled the passion for books and learning that was ingrained in his family as he grew up. These same attributes exist today in the Berman household. Mike was on the Library Board and the Butler County Federated Library System. Mike's daughter, Ashley, supported the library at age eight, as a Young Friend of the Library and on the Teen Advisory Board. "We hope that the library remains in operation for eternity and provides future generations with the same selfless devotion as they have afforded to us," he said.

CHARITABLE OPTIONS

There are many ways to create a Cranberry Legacy Endowment!

* Direct Donations

The minimum gift to establish a Legacy Endowment is $12,500. However, it can be started with as little as $2,500 for five years. Many contribute to their endowments on a regular basis to increase their size and effectiveness. In addition to supporting specific nonprofit and civic organizations, there are several field-of-interest funds available to support.

* Life Insurance Gift

You can donate an existing insurance policy or take out a new one that will be owned by the Cranberry Legacy Endowment to benefit the specific nonprofit/civic group of your choice. It is an excellent way to leverage a $20,000 donation to generate $100,000 for an individual, or $30,000 donation to generate $250,000 as a couple. This planned Investment can have immediate tax benefits.

* Real Estate/Personal Property

From farmland, timberland, vacation residences to rental properties, a gift of real estate can unlock the full value of your property and offer special economic advantages. You can make a substantial gift through a transfer of residential, commercial or undeveloped real estate. If you own property not subject to a mortgage, a charitable gift to a Legacy Endowment for the nonprofit of your choice may be an attractive proposition.

* Charitable Gift Annuity

An easy and popular way to make a planned gift to the Legacy Endowment is through a charitable gift annuity, which provides you with lifetime income. When you make a gift of $50,000 or more to CLE to establish a charitable gift annuity, CLE promises to pay you (or up to two people) an income at a fixed annual rate. This rate, based on your age, is established at the time of your gift and never changes. Your income from this gift is guaranteed for life. Upon your death, CLE receives the remainder of the annuity and applies the funds to the charity you specified at the time of your gift.

* Charitable Remainder Trust *(Annuity or Unitrust)*

For gifts of $100,000 and greater, you can create a charitable remainder trust during your lifetime or through your estate. When you transfer assets and name the Cranberry Legacy Endowment as the trustee, we invest the assets for the length of the trust term. This gift option provides you or your loved ones with annual income for the rest of your or your loved ones' lifetimes or a term of up to 20 years. When the trust term is over, the remaining assets are distributed to the nonprofit/civic group(s) designated in the agreement.

* Bequest in Will or Living Trust

After providing for family and friends, you may choose to make a bequest in your will or living trust, designating a charitable gift to the Cranberry Legacy Endowment after your death to benefit a specific nonprofit/civic organization. A bequest allows you to make a gift to CLE, receive an estate tax deduction for the gift, and leave a legacy in your community.

MAKING A DIFFERENCE IN 2019

TOGETHER

MARTINIS WITH MONET

The CTCC-CAN Art Expo in the Municipal Center, hosted by the Cranberry Artists Network, features artwork by talented local artists. Hundreds of guests enjoyed the opening reception, Martinis with Monet, which took place on the eve of Community Days.

CTCC COMMUNITY DAYS

Cranberry Township's annual three-day celebration in July included nonprofit booths, vendors, local artwork, rides, concerts, classic cars, and great food throughout Community Park. This free, family-friendly, event concluded with a spectacular fireworks display.

COMMUNITY CHASE 5K

Runners and walkers laced up for the annual Community Chase 5K and Kids Fun Run. Participants were treated to pancakes served up by the Cranberry Area Lions. Children gathered on the Rotary Amphitheater lawn as results were tallied for the annual Kids Fun Run.

CHEERS TO A GOOD CAUSE

Cranberry Sunrise Rotary Club hosted Cranberry Cheers - a local Beer, Wine & Food Tasting Festival benefitting the 2019 Project of the Year. Attendees enjoyed samples from some of the area's finest craft brewers, distilleries, wineries and restaurants at the Municipal Center.

RUNNING FOR LIFE

Unite for Bleeding Disorders Walk, Run For Their Lives 5K, and Cornhole Tournament washosted by the Western Pennsylvania Chapter of the National Hemophilia Foundation. These events brought friends and families together to raise over $75,000 to support the bleeding disorders community.

DECKING THE HALLS

A record number of nonprofit groups helped brighten the Municipal Center for the holiday season. More than 40 organizations decorated trees to represent their mission.

Best Wishes and a Community of Thanks!

In 2007, CTCC renewed its mission to better the Cranberry Township community through charity and fundraising.

Since that time, Gretchen Moran has served as Secretary and Treasurer for the nonprofit, helping bridge the gap between the community and the Township administration office from her day job as Executive Secretary.

Gretchen retired from both positions in July, ending more than a decade of commitment to service and community. Her dedication to bettering the community for all residents has been unmatched, and her departure will leave a tremendous void of positivity and knowledge within the CTCC organization.

We wish Gretchen much happiness in her retirement and thank her for her exceptional service.
